Dear Sir:

**COMMUNICATION**

This case is being refiled as a continuation in order to do two things:

1. To incorporate the scope of the related European reference of HOFRICHTER as being different than the HOFRICHTER reference cited in the US case by enclosing an Information Disclosure Statement and the reference EP 0 639 968 B1 for the Examiner's convenience and review.
2. File a Terminal Disclaimer in order to overcome the double patenting issue in the Final Rejection cited in the previous case.

Respectfully submitted,

Rosemary M. Miano
